

## KIPPRRA YOUNG PROFESSIONALS PROGRAMME 2018/2019

In line with The Kenya Institute for Public Policy Research and Analysis (KIPPRRA)'s mandate of developing human and institutional capacities required for the formulation of medium and long-term strategic perspectives for national development, KIPPRRA runs an annual Young Professionals (YP) Training Programme in the areas of Public Policy Process, Research Methods (Concepts, Data and techniques), Operations of Government and Macroeconomic Modeling. By the end of the training the participants are expected to produce a publishable research output.

The objective of the YP Programme is to develop young professionals in the areas of public policy research and to offer them an opportunity to gain on-the-job experience, expand their knowledge and build professional networks. Young Professionals are placed for one year in the following Research Departments namely;

1. **Macroeconomics** Fiscal policy; Monetary policy; External sector; and forecasting analysis using tools like macro-econometric model (KTMM), Social Accounting Matrix (SAM) and poverty modules
2. **Productive Sector** (Agriculture, Industry, Services, Tourism, Environment and Natural Resources);
3. **Social Sector** (Poverty, education, health, labour market, employment, Population dynamics, Education, Labour Markets and Employment Analysis, Social protection, Inequalities and Poverty analysis
4. **Infrastructure and Economic Services** (Physical Infrastructure, Water, Energy, Transport, Urban & Regional Planning, Telecommunications, Housing, and Construction);
5. **Private Sector Development** (Financial services, Business environment, and competition policy);
6. **Governance** (Public Sector reforms, political and constitutional reforms, Governance, Rule of Law and Devolution
7. **Trade and Foreign Policy** (Domestic & International Trade, International relations)

### Minimum Qualifications

- MA or MSc degree in Economics or related social sciences.
